Town of Mishicot
Special Meeting of the Town Board

A special meeting of the Mishicot Town Board was held at the Tisch Mills Fire Department, at N110 Highway B, Tisch Mills, on Tuesday, February 10, 2026, at 7:00 p.m.

Town Board members present were Dean Anhalt, Lee Stefaniak, and Gordon Augustine. Members of the Tisch Mills Fire Department were also present.

The Town of Mishicot requested a meeting with the Tisch Mills Fire Department in order to discuss the fire protection contract fee calculations. Currently, the fee is based on 1 mill of the equalized value of the town area that the Tisch Mills Fire Department covers. With equalized values increasing in percentages totaling 83.66% since 2019 and the town's allowed levy increases only being from approximately 30.30% over the same period, the town is not able to sustain the budgetary pressure of the rapidly increasing fire protection contracts. It is noted that the town levy increases are based mainly on net new construction in the town each year which is typically 1-3%.

After discussion, the Tisch Mills Fire Department offered a 5% increase for the 2026-2027 contract. The town's 2025 equalized value increased 5.04%.

The meeting adjourned. The town board will discuss the outcome of this meeting prior to the Tisch Mills Fire Department contract renewal in April.

These minutes were prepared by the town clerk on February 14, 2026 and will be presented for approval to the Mishicot Town Board at their next regularly scheduled meeting set for Monday, March 2, 2026.
